

CALL FOR NEW TRUSTEES

Garway Community Association (CIO)

There is an exciting opportunity for people to get involved in a rewarding volunteer role as a trustee of Garway Community Association a Charitable Incorporated Organisation (CIO) to be appointed at the AGM on 16th June 2022.

The charity has no legal issues outstanding, no financial concerns due a balanced budget and 2 years operating cash reserves. The building is compliant and running successfully with many regular user groups, a range of adhoc hires and more user group activities in the pipeline, delivering a great service to the community.

The charity now needs 6-12 new trustees to manage the CIO, its charitable purpose, act in the best interest of the charity and attend at regular meetings in accordance with the constitution. Existing trustees will be standing down at the AGM and a few re standing for continuity offering a hand over period during the summer to new trustees helping with transition.

It can be rewarding to help the community and a trustee role can be developed to get the most out of your trustee experience and a great opportunity to learn new skills and bring your skills to the charity too.
